Frequently Asked Questions

Do you allow outside vendors?
You are welcome to bring in any vendors that are not included in your package: officiants, photographers, videographers, and photo booths are welcome!

How many events can The Farm host at a time?
The Farm can host two weddings on the property at a time. The two venues are completely independent of one another, including parking. With over 10 acres at The Farm and security during events, we work hard to ensure each event has its own privacy and exclusivity.

When do the pecan trees lose their leaves?
The pecan tree leaves tend to fall mid to late December each year, and bloom in early to mid April. These dates are estimates of course—Mother Nature runs on her own schedule!

Can I bring my own alcohol?
Our liquor license at The Farm does require that we handle all bar services, including the purchasing and distribution of alcohol. We do have a wide variety of beer, wine, and liquor for you to select from!

How long do I have the venue for?
We allow you to arrive on-site 2.5 hours before the official start time for your wedding. The event is required to end at 10:00 pm, and you are given up to two hours after the event for décor breakdown.

Can we extend our reception past 10 pm?
We have an amazing relationship with our surrounding neighbors here at The Farm, and we do insist on honoring our residential sound restrictions beginning at 10:00 pm. This does mean the events must end at 10:00 pm, including music and bar services.

What accommodations are close by?
The Hilton Garden Inn Phoenix Airport
602.921.0500
Legacy Golf Resort
602.305.5500
Arizona Grand Resort & Spa
877.800.4888

I love The Farm! What is required to book my date?
To reserve your date here at The Farm, we require a signed contract, as well as a non-refundable venue deposit. This deposit goes directly towards your final balance, and we will work with you to create a payment plan leading up to your final payment deadline, one week prior to your wedding date.

Do you have a room where we can get ready?
Yes! We invite you to use our bridal lounge (one at each venue) to dress, add final touches, and relax before you walk down the aisle! You are more than welcome to enter the bridal lounge up to 2.5 hours before your ceremony.
